Ausbildung

1996	Klinischer und wissenschaftlicher Mitarbeiter in der Abteilung für Neuroradiologie des Kinderkrankenhauses der Universität McGill in Montreal (Abteilungsleiter: Prof. A. O'Gorman).
1996	Assistenzarzt in der Abteilung für Neurochirurgie des CHUV in Lausanne (Abteilungsleiter: Prof. N. de Tribolet).
1995	Klinischer und Forschungs-Fellow in der Neurochirugie-Abteilung des Montreal Neurological Institute, McGill University (Abteilungsleiter: Prof. A. Olivier).
1994–1995	Klinischer und Forschungs-Fellow in der Abteilung für pädiatrische Neurochirurgie des Montreal Children's Hospital, McGill University (Leiter der Abteilung: Prof. J.L. Montes).
1991–1993	Stellvertretender Klinikleiter, dann Klinikleiter in der Abteilung für Neurochirurgie des CHUV.
1991	Stellvertretender Oberarzt in der Neurochirugie-Abteilung des CHUV
1990	Assistenzarzt in der Abteilung für Neurochirurgie des CHUV in Lausanne (Abteilungsleiter: Prof. N. de Tribolet).
1989–1990	Klinischer und wissenschaftlicher Mitarbeiter am Neurologischen Institut von Montreal, McGill University (Vorsitzender: Prof. J. Antel). Forschung zur Pharmakologie der Neurotransmitter bei Epilepsie unter der Leitung von Prof. A.L. Sherwin.
1988–1989	Assistenzarzt an der Orthopädischen Klinik des Kantonsspitals St. Gallen (Abteilungsleiter: Dr. F. Magerl, P.D.).
1986–1988	Assistenzarzt in der medizinischen Abteilung des Krankenhauses von La Chaux-de-Fonds (Abteilungsleiter: Prof. L. Humair).
1985–1986	Assistenzarzt in der Abteilung für Neurochirurgie des CHUV in Lausanne (Abteilungsleiter: Prof. N. de Tribolet).
1983–1985	Assistenzarzt am Institut für Physiologie der Universität Lausanne (Direktor: Prof. M. Dolivo). Forschungen im Bereich des Stoffwechsels bei Fettleibigkeit. Dissertationsarbeit unter der Leitung von Prof. E. Jequier. Titel der Dissertation: "Nutrient-induced thermogenesis in lean and obese individuals: influence of the route of administration and investigation of the sympathetically-mediated component". Konsiliararzt in der wöchentlichen Adipositas-Sprechstunde der Medizinischen Abteilung des CHUV in Lausanne (Abteilungsleiter: Prof. P. Burckhardt).

Awards

2021	Interdisziplinäres Schwerpunktdiplom in Wirbelsäulenchirurgie
2014	Mitglied des Büros der Delegiertenversammlung der Société Vaudoise de Médecine
2003	Privatdozent, Medizinische Fakultät, Universität Lausanne
2003	Ernennung zum Vertreter der Schweiz im Wissenschaftlichen Leitungsausschuss der Société de Neurochirurgie de Langue Française (Gesellschaft für Neurochirurgie französischer Sprache)
1997	Lehr- und Forschungsmeister, Medizinische Fakultät, Universität Lausanne
1996	FMH-Titel als Facharzt für Neurochirurgie
1995	Stipendium für pädiatrische Neurochirurgie Montreal Children's Hospital, McGill Universität
1995	Mündliche Präsentationen, ausgezeichnet mit dem HL Teuber-Preis, 37. "fellows'day", McGill Universität, Montreal, Kanada und dem Upjohn-Preis, 4. Conjoint Kongress der Neurologischen Wissenschaften in Québec
1988	Bewertungsprüfung des Medical Council of Canada für Absolventen ausländischer medizinischer Hochschulen
1986	Dissertationsarbeit mit dem Preis der Medizinischen Fakultät Lausanne ausgezeichnet
1985	Doktorat in Medizin
1982	Eidgenössisches Diplom als Arzt
1976	Abitur in Naturwissenschaften. Eidgenössische Maturität C

Lehre

1. Physiologiepraktikum, Medizinstudenten 2. Jahres
2. Kurs in Neurochirurgie, Physiotherapieschüler, Ecole Vaudoise de Physiothérapeutes.
3. Kurs in pädiatrischer Neurochirurgie, Krankenpflegeschülerinnen in Mütter- und Kinderhygiene (HMP).
4. Kurs in Neurochirurgie für Intensivpflegerinnen des Kantons Neuenburg.
5. Unterricht in Neurochirurgie für Schülerinnen der Instrumentalpflege.
6. Unterricht am Krankenbett (ELM), Medizinstudenten des 3. Jahres
7. Unterricht in Neurochirurgie, Medizinstudenten des 3. und 6. Jahres
8. Postgraduierten-Unterricht der abteilungsübergreifenden neurochirurgischen Kolloquien des CHUV und des Hôpital Cantonal Universitaire de Genève.
9. Dozent bei den Kursen der EANS (European Association of Neurosurgical Societies).
10. Dozent, internationales Symposium der ISSBB (International Society for Spina Bifida).
11. Kurs "soigner et accompagner l'enfant malade et La famille: myéloméningocèle". Centre romand d'éducation permanente (Westschweizer Zentrum für ständige Bildung).
12. Kurs HECVSanté, Studiengang Hebammen "Malformations génito-urinaires et myéloméningocèle" (Urogenitale Missbildungen und Myelomeningozele).
13. Kolloquien der Abteilung für Kinderchirurgie :

- Dysraphismen

- Hydrocephalus
- Kraniosynostosen und lagebedingte Schädeldeformitäten

Mitgliedschaften

Mitglied von :

- Verbindung der Schweizer Ärztinnen und Ärzte (FMH)
- Société Académique Vaudoise (Akademische Gesellschaft des Kantons Waadt)
- Waadtländer Medizinische Gesellschaft
- Schweizerische Gesellschaft für Neurochirurgie
- Schweizerische Gesellschaft für Spinale Chirurgie
- Eurospine
- Swiss Pediatric Neurosurgery Group (Gründungsmitglied)
- Französischsprachige Gesellschaft für Neurochirurgie (Société de Neurochirurgie de Langue Française)
- (ehemaliger Vertreter der Schweiz)
- Französischsprachige Gesellschaft für Neurochirurgie des Rückenmarks (Société Francophone de Neurochirurgie du Rachis)
