Dr. med. Wilson Belaieff

Specialist in orthopaedic surgery, FMH

Work Experience

Dr Wilson Belaieff is an FMH specialist in orthopaedic surgery and traumatology of the motor apparatus, practising at the Clinique Générale-Beaulieu and as a consultant at Geneva University Hospitals. He completed his studies and doctorate at the Faculty of Medicine in Geneva, and completed his postgraduate training in orthopaedic surgery at a number of university centres, including the HUG and the Hautepierre University Hospital in Strasbourg. He obtained his FMH specialist title in 2016. His area of expertise includes robotic prosthetic surgery of the hip and knee, complex traumatology and fracture sequelae. He is involved in a number of projects, including improving the quality of hip fracture care at the HUG, the publication of scientific articles, and humanitarian missions in Africa.
