Dr. med. Luigi De Laurentiis

Specialist in general medicine, FMH member

Languages

IT,EN,DE

Education

1992	Degree in medicine and surgery, State University of Milan Degree thesis: 'Posterior rectopexy with mersilene mesh in the treatment of rectal prolapse'

Work Experience

Six-month practical traineeship in 1991 at the Policlinico di Milano

From **1.01.1991** to **22.12.1992** voluntary internship at the General and Thoracic Surgery Department of the Policlinico University Institute in Milan.

In **1993** I substituted Dr. Salmoiraghi (specialist in general medicine and Surgery of the Digestive System), at his surgery in Campione d'italia for about 3 months.

Also in **1993** , I replaced Dr. Moglia (specialist in General Medicine and Orthopaedics), at his surgery in Milan for about a month. Both replacements were preceded by about two months of pranticantato in their respective surgeries.

From **1.12.1993** to **31.01.1994** I worked as an assistant at the S.Anna clinic in Sorengo in the surgery departments (general, orthopaedic, gynaecological), and at the oncology department.

From **2.02.1993** to **31.03.2023** I replaced Dr. Salmoiraghi at his surgery in Campione d'italia.

From **1.04.1994** to **31.03.1995** I worked as an assistant in surgery and support in orthopaedics at the Italian Hospital in Viganello.

From 1.04. **1996** to **31.03.1999** I worked as an assistant in the Emergency Department of Orthopaedics and Traumatology at the Italian Hospital in Viganello.

Since **1.04.1999** I have been working at the Ars Medica Clinic in Gravesano. I started as an assistant on the ward and in the operating theatre and later in the Emergency Department since its foundation.

Since **2014** , I have been working exclusively in the ER and am responsible for conservative treatment.
