Work Experience

Originally from Geneva, Dr Vincent Dombre studied medicine at the University of Geneva. He obtained his FMH qualification in internal medicine in 2017 and worked as Head of Clinic at the Geneva University Hospitals (HUG), before leaving to train in gastroenterology and hepatology at the Centre Hospitalier Universitaire Vaudois (CHUV) in 2019. After obtaining his FMH qualification in gastroenterology, he will work there as Head of Clinic, practising a wide range of specialist areas. His specialities include diagnostic and therapeutic endoscopy (gastroscopy, colonoscopy), small-bowel video-capsule and abdominal ultrasound.
