PD (AUS) Dr med Claudia Paola Ferrier-Guerra

Specialist in Nephrology and specialist in general internal medicine, FMH member

Languages

IT,EN,FR,DE

Education

since 2017	Master of Advanced Studies, MAS in health and social care economics and management (Net-MEGS)
1995	Australian Higher degree of Doctor of Medicine (PD equivalent), University of Melbourne
1993	FMH specialist title in Nephrology
1989	FMH specialist title in internal medicine
1982	Doctor of Medicine, University of Bern, Switzerland
1981	Doctor of Medicine, University of Bern, Switzerland

Competences

Assignments

- Medical practice owner specialising in nephrology, hypertension and renal disease in pregnancy
- Haemodialytic therapies, peritoneal dialysis, holiday dialysis, renal transplantation in collaboration with EOC
- Collaboration with the University of Bern
- Consultant for renal diseases in pregnancy and nephrology at the Sant'Anna Clinic, Sorengo
- Consultant for obstetric medicine at the Frauenklinik of the University of Basel
- Executive Director of Nefrocentro Ticino and responsible for the Quality Management System ISO-9001:2015

Teaching activities

- Bachelor student lecturer in medicine at the Faculty of Medicine (University Clinic of Nephrology and Hypertension), University of Bern
- Supervisor of Master's and Doctorate theses for medical students and assistants at the University of Bern (University Clinic of Nephrology and Hypertension)

- Training for medical students of the ASTIM association (Associazione Studenti Ticinesi di Medicina) for nephrology
- Supervisor and responsible for training assistant physicians in nephrology (6 months recognised SIWF-FMH)

Work Experience

since 2019	Executive Director of Nefrocentro Ticino, owner of nephrology specialist medical practice
1997–2018	Founder and director of the Centro Dialisi Dr. Ferrier Sagl and owner of nephrology practice
1995–1997	Consultant doctor in nephrology, nephrology department and consultant doctor for renal diseases in pregnancy, Frauenklinik; Inselspital Bern
1994–1995	Senior researcher, University of Lausanne
1991–1994	Research fellow in nephrology and obstetric medicine Royal Melbourne Hospital, University of Melbourne, Victoria, Australia (Prof. P. Kincaid-Smith & Prof. G. Becker)
1989–1991	Assistant physician in cardiovascular disease, hypertension and clinical pharmacology. Baker Medical Research Institute, Melbourne, Australia
1986–1989	Specialisation in nephrology and internal medicine. Polyclinic of Medicine, University of Bern
1986	Visiting Medical Officer in radiology and infectious diseases, St. Vincent Hospital Worcester, MA, USA
1983–1986	Assistant physician in internal medicine (incl. nephrology), University of Bern, Polyclinic of Medicine (Prof. Reubi)
1983–1984	Assistant physician in internal medicine, Italian Hospital, Lugano. (Prof. Carlo Beretta-Piccoli)
1982–1983	Assistant physician, respiratory diseases, Division of Pneumology, University of Bern
1982	Researcher, Medizinische Poliklinik, Hypertension Division, University of Bern
