Competences

Since 2008, the Clinique Dentaire de Genolier has had its own dental laboratory, giving it greater autonomy in the manufacture of fixed and removable prostheses. As early as 1997, the clinic was equipped with digital radiology, and in 2010 it added 3D cone beam radiology to its range of services.

At the Clinique Dentaire de Genolier, dental experts specialise in :

- conservative care
- endodontics
- periodontology
- pedodontics
- hygiene and prevention

- prosthetic rehabilitation
- aesthetic treatments

Memberships

- Member of the SSO-Vaud (SVMD)
- Specialist member SSP
