

Dr. med. Eric Lüdke

Orthopaedic Surgery and Traumatology FMH
Sports Medicine SEMS

Languages

FR,EN,DE

Work Experience

Dr Lüdke moved to Grenoble, to the Centre Ostéoarticulaire des Cèdres, to specialise in ligamentous and prosthetic knees with Dr Panisset.
Building on this experience, he will set up his own practice in June 2021.

Education

After obtaining his federal medical diploma in 2012, Dr Lüdke began his training in orthopaedic surgery and traumatology at the Hôpital cantonal de Fribourg, where he completed part of his residency. He completed his residency in Nyon before moving to Neuchâtel as head of clinic.
At the same time, he trained in sports medicine. He will become a specialist in orthopaedics and traumatology, as well as sports medicine, in 2021.
