Dr. med. Pierre Quinodoz

Reconstructive and Aesthetic Plastic Surgery

Languages

FR,EN,DE

Profile

Born in Geneva, Dr Pierre Quinodoz trained at the Faculty of Medicine of the University Hospitals of Geneva (HUG).

He is currently a consultant in Plastic and Aesthetic Surgery at the University Hospitals of the Canton of Geneva (HUCGE).

A holder of the European Board of Plastic Surgery, he has undergone extensive training in surgical techniques, notably in the United States, Brazil and Australia.

He has won several awards, including the Swiss Society of Plastic Reconstructive and Aesthetic Surgery prize for his doctoral thesis.

A founding member of the Swiss Society of Aesthetic Surgery (SSCE), he was president of the Swiss Society of Plastic, Reconstructive and Aesthetic Surgery (SSCPRE) from 2014 to 2016.

He has represented Switzerland at ISAPS since 2018 (National Secretary of ISAPS (International Society of Aesthetic Plastic Surgery).
