In the footsteps of Carl Gustaf Emil Mannerheim

Did you know that the Finnish Marshal Carl Gustaf Emil Mannerheim spent a few months each winter at Clinique Valmont writing his memoirs, happily stopping for a hot chocolate in the Steffen tea room?

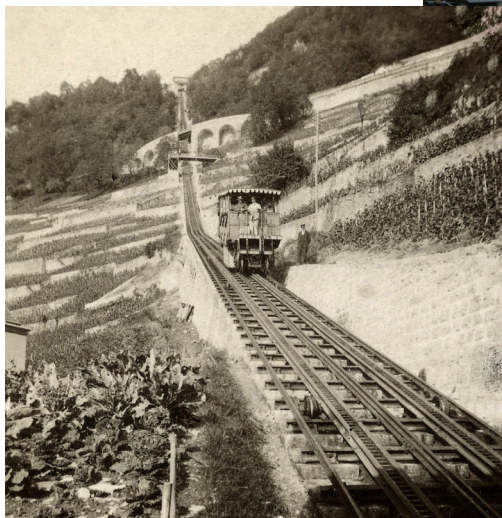

In 1951, on his death, a monument was erected in his honour in Territet.

Carl Gustaf Emil Mannerheim

Mannerheim Memorial

Funicular Territet - Glion, one of the oldest in Switzerland

Tour "In the footsteps of Carl Gustaf Emil Mannerheim"

- Observation of the obelisk in Territet
- Take the funicular from Territet station
Departure every 15 minutes; timetable on www.cff.ch
- Get off at Glion station
- Pass in front of the old Steffen tea-room where the Marshal liked to have his hot chocolate. This building on the corner of the Route de Valmont has now been converted into accommodation.
- Continue the walk that the Marshal used to take up to Clinique Valmont
- Morning snack on the terrace of our restaurant*
- Visit Clinique Valmont
- Observe the memorial slab in the clinic's garden
- Lunch on the terrace of our restaurant*
- Return to Territet by cogwheel train from Valmont station
Departure every hour; schedule on www.cff.ch

The programme can also be organised in the afternoon with an aperitif snack.

*According to the weather.
